

**The Richmond, Virginia District Office of the
U.S. Small Business Administration
presents**

“SBA LOANS – WHAT ARE YOUR CHOICES?”

The Richmond District Office is pleased to present an online training program called "***SBA Loans-What are your Choices***" every Friday from 12:30-1:30 p.m.

This program is designed for those who want to know more about SBA loans and which program is right for them. The presentation will be available both by telephone and computer. The toll-free telephone number is (866) 740-1260 for the audio portion. The access code is **3030401**. To log into the Web Conference, participants need to login at www.readytalk.com. Click on "Join a Conference" and enter the same access code. It would be a good idea for first time participants to test their browser compatibility prior to the call by going to <http://www.readytalk.com/test.html>. If someone only has access to a telephone they will still be able to participate with just the audio portion. The computer application will not include the audio portion but will include the ability to ask questions on-line.

There is no cost to participate in this program and no pre-registration is required.
